## Cheering Corner!

An integral part of PWNP's mission is to uncover real ways to make an emotional connection with women & children at the shelters we support & not just provide for physical needs. We see "joy" as a basic need and how meaningful it can be to help lift spirits for people who don't have anyone in their cheering corner. Also recognizing we can all benefit from stories of inspiration, we're featuring a new section "In Your Corner" starting this edition. We look forward to highlighting special PWNP stories, and would love to hear from you if you have one to share. Please email us at [pwnpcharity@gmail.com](mailto:pwnpcharity@gmail.com).

## Many Thanks!

To Deborah Whipple and W by Worth for sponsoring a wonderful event and helping us Step into spring in style! ☺ And also special thanks to all our shoppers who helped contribute to the portion of the proceeds that will go towards making Mother's day gift bags for moms at Grassroots. It was a lot of fun, and please stay tuned as we look forward to the possibility of doing it again in the fall.

## "In Your Corner"

A 10 year old girl arrived at Grassroots last month with only a few pieces of clothing. NONE of which were girls. She had a boys power rangers shirt and too small boys pants. Thank you to all of you who shopped and donated clothing in the correct size and style for her. Mom shared she was thrilled and PWNP is always grateful to make a connection and offer someone the chance to feel a sense of pride and dignity.
